

Plural Pat Game Instructions

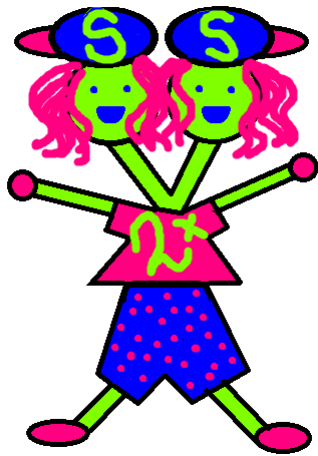

Game Instructions: (One player)

1. Cut out the s and plural pats.
2. Set out the game board and explain the purpose of plural pat. (Note: When you see plural pat, you add a s and say a /z/. This makes the word plural or more than one.)
3. Then go through and have your student read each word on the game board. When he/she reads it, tell him/her that the word is singular or there is only one of the word.
4. Then start the timed bonus round.
5. In the bonus round, you will be randomly placing plural pats near words. Every time you place a plural pat, your student has to add an s and read the plural of the word.
6. Set the timer for one minute.
7. Start the timer and begin placing one plural pat at a time.
8. For every word your student makes plural and reads correctly, he/she gets a point.
9. Continue placing plural pats and counting up points until time runs out.
10. Total up the number of points your student got and match the number to the score sheet.
11. Have your student place a sticker in the correct spot on the score sheet.
12. The goal of the game is to get the most points.

Plural Pat Game Instructions

Game Instructions: (2 or more players)

1. Each student will need his/her own Plural Pat game board.
2. Set out the game boards for each student and explain the purpose of plural pat. (Note: When you see plural pat, you add a s and say a /z/. This makes the word plural or more than one.)
3. Then go through and have all of your students read each word on the game board together, alternating who reads.
4. Then start the timed bonus round.
5. In the bonus round, you will be randomly placing plural pats near words. Every time you place a plural pat, your student has to add an s and read the plural of the word. Alternate between students when you place plural pats.
6. Set the timer for one minute.
7. Start the timer and begin placing one plural pat at a time.
8. For every word your student makes plural and reads correctly, he/she gets a point.
9. Continue placing plural pats and counting up points until time runs out.
10. Total up the number of points your student got and match the number to the score sheet.
11. Have your student place a sticker in the correct spot on the score sheet.
12. Repeat steps 10-11 with the remaining students.
13. The winner of the game is the student who gets the most points.
