

## “ing” and “ed” bot

### Game Instructions:

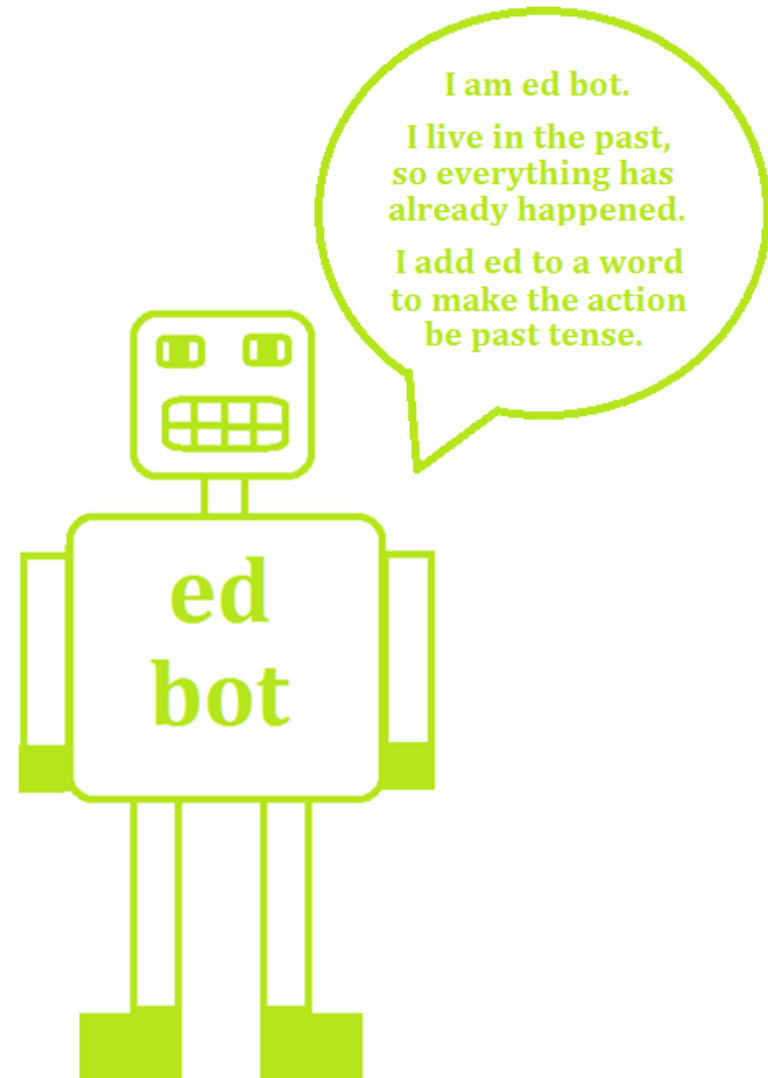

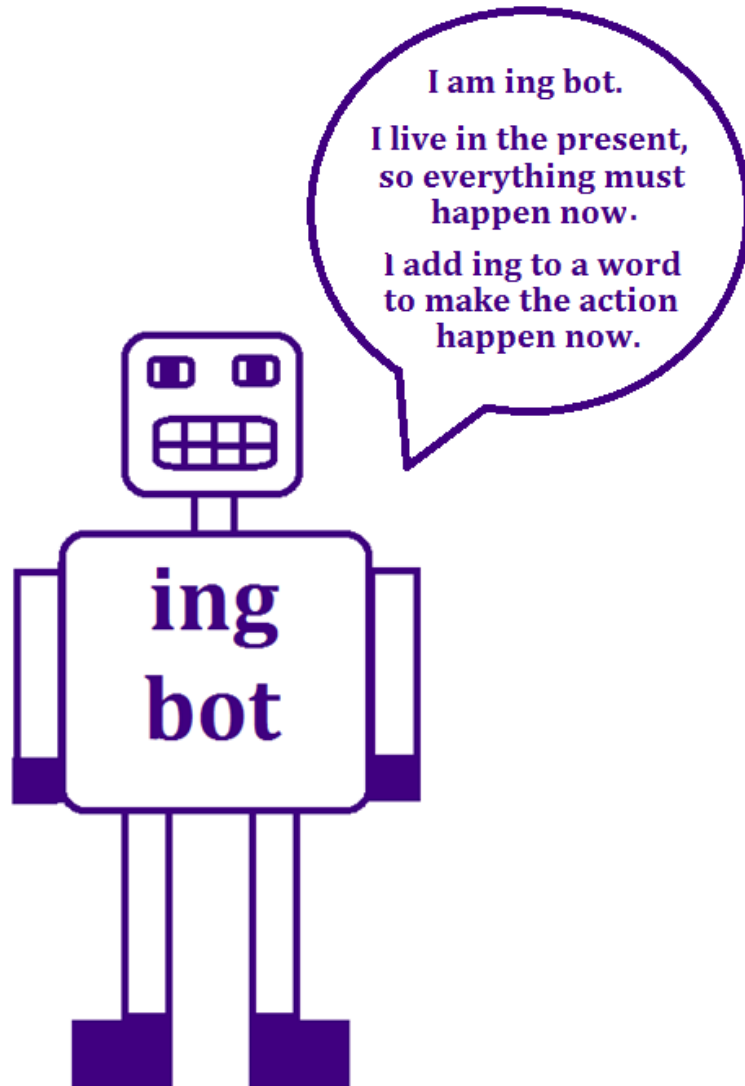

#### (One Player)

1. Cut out the ing and ed game pieces.
2. Before you begin the game make sure you tell your student about the suffixes ing and ed using the ing and ed bot sheet.
3. Then read the paragraph on the ing and ed bot sheet.
4. Let your student choose their side. You will be on the opposing side.
5. Divide up the game chips. The chips should match the side you are playing for.
6. Put the game board between you and your student.
7. Take turns picking spaces on the game board.
8. When you pick a space you must read the base word with the added suffix to attain the spot. If you read the word incorrectly, you lose your spot.
9. The winner of the game is the person who gets four words in a row first.

ing bot and ed bot are rival brother bots. Ing bot wants everything to happen now because he likes to live in the present. Ed bot wants everything to have already happened because he likes to live in the past. Both are looking for word changing partners in their plan to take over the word world. So which side are you on?
