

Games for 4.1 Game Board

Find the Silent e:

1. Place the game board and game chips in front of your student.
2. Set a timer for 30 seconds.
3. Start the timer and have your student cover up all the words with a silent e.
4. Once the timer goes off, have your student read all the words with the silent e, remembering that the vowel will say its name.
5. For every word your student reads correctly, he/she gets one point.
6. The goal of the game is to get the most points

Find the vowels that say their name:

1. Place the game board and game chips in front of your student.
2. Set a timer for 1 minute.
3. Start the timer and have your student cover up all the words that have vowels that say their name. Remind your student of the magic e.
4. Once the timer goes off, have your student read all the words with the vowels that say their name.
5. For every word your student reads correctly, he/she gets one point.
6. The goal of the game is to get the most points.

Find the vowels that say their sound:

1. Place the game board and game chips in front of your student.
2. Set a timer for 1 minute.
3. Start the timer and have your student cover up all the words that have vowels that say their sound. Remind your student of closed syllables.
4. Once the timer goes off, have your student read all the words with the vowels that say their sound.
5. For every word your student reads correctly, he/she gets one point.
6. The goal of the game is to get the most points.

Connect 4

1. Put the game board between you and your student.
2. Take turns picking spaces on the game board.
3. When you pick a space you must read the word on the space.
4. The winner of the game is the person who gets four words in a row first.
