

## Mailing Morphologies

### Game Instructions:

#### (One Player)

1. You will need scissors and glue/tape
2. Cut out the envelopes, definitions, and examples.
3. Have your student match the definitions and examples to the correct envelopes.
4. Check to make sure that your student matched the definitions and examples correctly.
5. Then have your student glue or tape down the definitions and examples to each of the envelopes.
6. Once done, your student can use the envelopes as flashcards.

<b>Definitions</b>	<b>Examples</b>
back or again	<b>r</b> eturn, <b>r</b> epeat
before	<b>p</b> review
down, away, opposite of	<b>d</b> estruct, <b>d</b> educt
